

Dear Customers,

First I want to thank you for 23 great years!

I am thrilled to announce that today we have merged with **HELP** Plumbing, Heating, Cooling, Electric and Drains.

HELP, in my opinion, is the most respected and best service company in the Greater Cincinnati and N. Kentucky area. In fact, I trained at **HELP** as my first job out of HVAC School.

What does this mean for you?

On a day-to-day basis, its business as usual, only now you have a new team in place to serve you. Here are a few reasons that you will love the **HELP** Team:

- EACH and EVERY Technician receives over 200 hours of training EACH and EVERY year
 - That's 5 weeks of training!
- Cleaner than We Found It... "**Guaranteed**"
 - Which means we leave our workplace Cleaner than We Found It... "**Guaranteed**"
 - Clean trucks, clean uniforms, clean appearance
- 100% Satisfaction "**Guaranteed**"
 - We have a 100% Satisfaction Guarantee which means you pay NOTHING, NOT EVEN A PENNY, until our work is absolutely complete and you are 100% satisfied.

The best part is, **HELP** is open 8a-8p, 7 days a week!

My staff is now a part of the **HELP** family and we are available to **HELP** you not only with your Heating and Cooling, but now with your Plumbing, Electric and Drain needs.
